Substance of Interview on July 24, 2007

Applicants wish to thank Examiner Gerardo Araque, Jr. and Primary Examiner Dean Nguyen for taking the time to discuss the present application with Applicants' representative, Jason Rhodes (Reg. No. 47,305) during the personal interview of July 24, 2007.

Claims Discussed: All independent claims were generally discussed.

Proposed Amendments: During the interview, Examiner Araque, Primary Examiner Nguyen and Mr. Rhodes came up with proposed amendments for the independent claims consistent with the amendments implemented above. It is noted that the Interview Summary issued July 24, 2007 indicates that the parties also discussed amending the claims to recite, "the one or more digital cameras are *programmed* to automatically determine..."; however, it is respectfully submitted that the parties came to an understanding that adding "programming" to the claims would not be needed.

General Results: Agreement was reached that the above amendments would distinguish over the art of record. Particularly, it was agreed that the amended language would distinguish over applied/potentially applied teachings of Allen (USP 5,737,491)

Conclusion

It is believed that the above claims are in condition for allowance. Accordingly, the Examiner is respectfully requested to reconsider and withdraw all outstanding rejections, and issue a Notice of Allowance in this application.
